

The SCCA is a volunteer-run Registered Charitable Non-profit Society. Donated funds go towards our campaigns to protect the biodiversity of the Sunshine Coast, including supporting our committees, publishing our annual newsletter and other reports, posting our regular email news, maintaining a website, and hosting public events. We support a living wage for our part-time staff team. Volunteers are reimbursed for travel only to attend meetings and presentations, and to participate in public processes..

Your assistance in supporting us and helping conserve this region's biodiversity is sincerely appreciated.

Here's how you can donate:

### **Regular Donations**

Ongoing regular support is very valuable to us and helps us plan our programs into the future. If you can afford a monthly donation, it would be very much appreciated.

- Automatic monthly bank transfers are accepted from Sunshine Coast Credit Union accounts. If you are an SCCU member and would like to set this up, please contact us at [office@thescca.ca](mailto:office@thescca.ca).
